The Board of Directors Meeting of Bumrungrad Hospital Public Company Limited No. 1/2018, held on 21 February 2018, resolved to convene Annual General Meeting of Shareholders No. 25 for year 2018 on Wednesday, 25 April 2018, at 2:00 pm, at the Conference Center, 21st Floor, Bumrungrad International Clinic Building, No. 33, Sukhumvit Road, Soi 3 (Nana Nua), Khlong Toei Nua Sub-district, Vadhana District, Bangkok, to consider the following agenda.

Agenda 1 To adopt minutes of Annual General Meeting of Shareholders No. 24 for year 2017, held on Wednesday, 26 April 2017

Rationale: Annual General Meeting of Shareholders No. 24 was held on Wednesday, 26 April 2017, a copy of the minutes of which is attached as Enclosure 1.

Opinion of the Board: The Board of Directors is of the opinion that the minutes have been recorded comprehensively and accurately, and recommend that the minutes be adopted.

Agenda 2 To acknowledge the Board of Directors' report on the Company's operations for year 2017

Rationale: The report of the Company's operations and other important information for year 2017 are shown in the annual report attached as Enclosure 2.

Opinion of the Board: The Board of Directors agree that the Company's operations should be presented to the shareholders for their acknowledgement.

Agenda 3 To consider and approve the audited statements of financial position and income statements for the year ending on 31 December 2017

Rationale: The statements of financial position and income statements for the year ending on 31 December 2017 were audited and certified by the Company's auditor, and considered by the Audit Committee, details of which are shown in the Financial Information section of the Company's annual report, attached as Enclosure 2.

Opinion of the Board: The Board of Directors resolved that the shareholders' meeting considers and approves the Company's statements of financial position and income statements for the year ending on 31 December 2017, as audited and certified by the Company's auditor, EY Office Limited, and considered by the Audit Committee.

Agenda 4 To consider and approve the appropriation of net profit for fiscal year 2017 and the declaration of dividends, and to acknowledge the payment of interim dividend

Rationale: The Company's dividend policy takes into consideration the Company's performance, financial structure and status, investment plans, consistency of dividend payment, and the economic environment, without a fixed dividend payout ratio. For the year 2017, the Company reported consolidated net profit of Baht 3,943,889,207, and did not have retained losses, and therefore the Company is able to consider a dividend payment to shareholders. Article 4.1 of the Company's Article of Association states that when the Company has net profit which can be distributed to shareholders, the preferred shareholders will receive dividends before the ordinary shareholders. In any year in which dividends distributed to the preferred shareholders reach 15% of the Company's capital as represented by the preferred shares, the balance of the profit shall be distributed to the ordinary shareholders in any amount as determined by the shareholders' meeting. In any year that the Company is able to distribute dividends equal to more than 15% of its capital, the shareholders of both types shall receive the dividends equally.

Details of the appropriation of net profit and proposed dividend payment as compared with the previous year are as follows:

Details of Profit Appropriation	2017	2016
1. Net profit (million baht)	3,943.89	3,626.17
2. No. of preferred and ordinary shares (shares)	730,052,222	730,052,222
3. Dividends (Baht/share)	2.70	2.50
- Interim dividends (Baht/share)	1.00	0.95
- Final dividends (Baht/share)	1.70	1.55
4. Total dividend amount (million baht)	1,971.14	1,825.13
5. Dividend payout ratio	50.0%	50.0%
6. Appropriation of profit as reserves (million baht)	-	-

The proposed dividends for the year 2017 equal more than 15% of the Company's total capital. Therefore, the dividend will be paid to all preferred and ordinary shareholders equally, in accordance with the Company's Dividend Payment Policy and the Company's Articles of Association.

As of the end of 2017, the Company has statutory reserves of Baht 92,275,000, which equal more than 10% of the Company's registered capital, and therefore the Company did not appropriate additional profit to the reserve fund in 2017.

Opinion of the Board: The Board of Directors resolved that it was appropriate to propose to the shareholders' meeting to consider and approve the payment of dividends for the year

2017 from the consolidated net profit at the rate of Baht 2.7 per share, amounting to Baht 1,971.14 million, or 50% of consolidated net profits for 2017.

In addition, the Board of Directors will report to the shareholders' meeting so they can acknowledge that the interim dividend of Baht 1.00 per share, totaling Baht 730.05 million, was paid on 6 September 2017.

Therefore, the remaining dividends of Baht 1.7 per share, totaling Baht 1,241.09 million (for an operating period from 1 July 2017 to 31 December 2017) will be paid to all preferred and ordinary shareholders whose names existed on the record date, 8 March 2018. The proposed date for dividend payment is 8 May 2018.

The payment of dividends for the year 2017 will be payable out of the Company's net profit, and taxable at the rate of 20 percent.

Agenda 5 To consider and approve the election of directors to replace the directors who will retire by rotation

Rationale: According to article 23 of the Company's Articles of Association, in every annual general meeting of shareholders, one-third of the directors must retire from the office. In this meeting, there are four directors who will retire by rotation:

- | | | | |
|----|-------------|-------------|--|
| 1. | Mrs. Linda | Lisahapanya | Managing Director and Chairman of the Investment Committee |
| 2. | Mr. Soradis | Vinyaratn | Independent director and member of the Audit Committee |
| 3. | Mr. Prin | Chirathivat | Independent director and member of the Audit Committee |

The Company has given the opportunity to shareholders to nominate candidates with appropriate knowledge, skills, and qualifications to be considered as the Company's directors from November 2017 to January 2018. However, none of the shareholders have nominated a candidate.

The Nomination and Remuneration Committee has considered the qualifications of directors as prescribed in the rules and regulations, the Company's Articles of Association, and the Board of Directors' Charter, and agreed to propose the re-appointment of the three directors whose terms will expire by rotation for another term to the shareholders' meeting. They are as follows:

- | | | | |
|----|-------------|-------------|--|
| 1. | Mrs. Linda | Lisahapanya | Managing Director and Chairman of the Investment Committee |
| 2. | Mr. Soradis | Vinyaratn | Independent director and member of the Audit Committee |
| 3. | Mr. Prin | Chirathivat | Independent director and member of the Audit Committee |

The profiles of the candidates proposed for appointment as the Company's directors are attached in Enclosure 4.

Opinion of the Board: The Board of Directors, excluding directors with vested interest, agrees with the Nomination and Remuneration Committee, and recommended that the

shareholders' meeting re-appoint the three directors who will retire by rotation in 2018, namely Mrs. Linda Lisahapanya, Mr. Soradis Vinyaratn, and Mr. Prin Chirathivat, as directors of the Company for another term.

Agenda 6 To consider and approve the directors' and committee members' remuneration for the year 2018

Rationale:

Rules and procedures for proposing Directors remuneration

The Board of Directors has a policy to set the directors' and committee members' remuneration to be at the appropriate level, in accordance with the duties and responsibilities of the directors and committee members, taking into consideration the overall economic situation, and comparison with other companies in the industry. Directors' remuneration consists of annual remuneration and meeting attendance remuneration. The duties, responsibilities, and remuneration of the directors are shown in the Management Section of the Company's annual report, attached as Enclosure 2.

Remuneration elements

In 2018, the Nomination and Remuneration Committee considered the results of Company's operation, the general economic situation, and comparison between the Company's directors' remuneration and that for other companies in the same industry, and deemed it appropriate to propose the directors' and committee members' remuneration as follows to the shareholders for their approval.

Agenda 7 To consider and approve the appointment of the auditor, and to fix the audit fees for year 2018

Rationale: The Audit Committee has proposed the appointment of Ms. Vissuta Jariyathanakorn, Certified Public Accountant No. 3853, Ms. Sumalee Reewarabandith, Certified Public Accountant No. 3970, and Ms. Kosum Cha-em, Certified Public Account No. 6011 of EY Office Limited, to the Board of Directors for proposal to the shareholders as the Company's auditors for the year 2018, and the fixing of the audit fees to be no more than Baht 3,210,000. Additional details of the proposed auditor and audit fees are attached in Enclosure 5.

The Audit Committee is of the view that EY Office Limited has provided efficient services for the Company and is familiar with the hospital business, and the proposed audit fee is appropriate and at the same level as other companies in the same industry.

Opinion of the Board: The Board of Directors concurs with the Audit Committee's proposal to the shareholders' meeting to appoint Ms. Vissuta Jariyathanakorn, Certified Public Accountant No. 3853, Ms. Sumalee Reewarabandith, Certified Public Accountant No. 3970, and Ms. Kosum Cha-em, Certified Public Account No. 6011, of EY Office Limited, as the Company's auditors for the year 2018, and the fixing of the audit fees to be no more than Baht 3,210,000.

Agenda 8 To consider and approve the amendment to clause 4 of the Company's Memorandum of Association with respect to the registered capital, to be in line with the conversion of preferred shares to ordinary shares in 2018

Rationale: The Company's Board of Directors' Meeting No. 5/1998, held on 11 November 1998, resolved that preferred shares can be converted into ordinary shares at the rate of one preferred share to one new ordinary share in February of each year.

In February 2018, preferred shareholders exercised their rights to convert 62,500 preferred shares to ordinary shares. Therefore, clause 4 of the Memorandum of Association, pertaining to the types of shares of the registered capital must be amended, as detailed in Enclosure 6.

Opinion of the Board: The Board of Directors recommends that the shareholders' meeting approve the amendment to clause 4 of the Company's Memorandum of Association to be in line with the conversion of preferred shares to ordinary shares, as required by law.
